**Clark County's Newest Homes Star in the NW Natural New Homes Tour**

*Chef, Hop & Vine kick-off event on June 1 pairs new homes with some of Clark County's finest food, beer & wine!*

**Vancouver, Wash** – (May 16, 2017) – The **NW Natural New Homes Tour presented by DeWils** features 18 of the hottest new homes on the market. Attendees have the first two weekends of June (June 3 & 4 and 10 & 11) to visit a wide variety of home styles created by 12 different builders. Homes are priced from \$289,000 - \$829,900.

To participate in this free event attendees can visit [www.TheNewHomesTour.com](http://www.TheNewHomesTour.com) and print a map. For the best navigating experience attendees are encouraged to download the Parade Craze app which provides turn-by-turn directions to each stop on the tour (typical mapping programs do not provide accurate routing to new construction). Visitors can choose to start at any home on the tour. The homes are open from 11:00 am to 5:00 pm each day of the event.

Participating builders include: **Aho Construction, Cascade West Development, Glavin Homes, Holt Homes, New Tradition Homes, Pacific Lifestyle Homes, Pahlisch Homes, Urban NW Homes, Waverly Homes, 2 Creeks Construction, Generation Homes Northwest, and Ginn Development.** View home photos and information at [www.TheNewHomesTour.com](http://www.TheNewHomesTour.com).

The NW Natural New Homes Tour presented by DeWils is supported by Summit Funding.

Attendees love the format and the event is definitely well suited to groups of friends touring together; visiting about their favorite food, drinks and home features. I’m pleased that we’ve been able to provide generous donations to our non-profit partners each year. This year’s non-profit, ROCKSOLID Community Teen Center provides a wonderful safe-haven for north county kids.”

The NW Natural Chef, Hop & Vine presented by DeWils is supported by Peak Mortgage, Parr Lumber, Summit Funding and Loanstar Home Lending.
