Sunny Parsons, Owner of Cascade Flooring America, has been appointed a Supplier Director.

David Millar, Owner of Millar Construction, has been appointed as a State Director on the BIA of Clark County’s and Building Industry Association of Washington’s (BIAW) Board of Directors

Sheri Hunzeker, Nikki Duke and Michael Shanaberger also serve as State Directors for the BIAW Board of Directors.

“The BIA is extremely fortunate to welcome the time and talents of these five individuals,” shares Aaron Marvin, co-owner of A.C.T. Builders LLC and the BIA’s 2017 President. “The level of experience and industry knowledge that they add to the board will only deepen our perspective as a member-led organization. This on-the-ground perspective allows us to understand the needs of our members and respond to challenges they face as they build the places Clark County calls home. We use this information to provide robust government affairs advocacy for our membership.”
