

Marnella Homes Presents:

A Behind the Walls Coffee Tour
Wednesday, October 31
8am to 10am

You are invited to look behind our sheetrock and learn from the experts on preparing and certifying a green home and what it takes to extend these benefits to our homeowners.

Experts:

- Pyramid Heating & Cooling - what ducts inside actually means to the HVAC system and the homeowner.
- Gale Insulation - blown-in insulation, a proper air sealing process and the benefit to the homeowner
- Swiftsure Energy - what goes into the certification process and the benefit to the homeowner.

We believe what is behind the sheetrock is as important, if not more, than what goes in front of it.

Coffee and pastries will be provided by Umpqua Bank.

Location:

2903 NW Celebration Lane
Camas WA 98607

This address is not current on all map systems yet.

1. Use the intersection of NW Dahlia Dr. & NW 38th Ave as a reference (it is one block away) OR
2. Take SE 192nd Ave to SE 20th St. and follow East. SE 20th turns into NW 38th and in apx 2 miles is Verona and NW Celebration Lane

Please RSVP to tony@marnellahomes.com or call 503-709-3900
