BIA Announces Building Excellence Award Winners
17 projects recognized during the 17th annual awards ceremony

Vancouver, Wash – (August 20, 2019) – The Building Industry Association of Clark County (BIA) recently recognized seventeen (17) member companies with Building Excellence Awards for outstanding projects completed between July 2018 and June 2019.

Entries for the Building Excellence Awards are judged on quality craftsmanship, unique design features, company safety record, usage of BIA subcontractors & suppliers and completion of project on time and on budget.

“The Building Excellence Awards program is a 17-year tradition of honoring outstanding work by BIA members in residential and commercial new construction, remodeling, landscaping and interior design,” notes 2019 BIA President Michael Shanaberger. “We had several companies take home awards for the first time, which is always wonderful to see.”
