

Washougal's Community Development Permit, Plan & Inspection Protocols due to COVID-19 and Governor's Stay Home, Stay Healthy Proclamation:

Hours of operation:

- Our office at City Hall, 1701 C Street, are closed to the public.
- Offices hours are Monday – Thursday, 8am – 5pm, CLOSED Fridays
- Community Development staff are available by phone or email Monday through Thursday during office hours.

Building Permits and Planning Reviews:

- Applications and plan submittals that relate to essential facilities or for emergency repairs and projects that ensure structural integrity for residential structures in compliance with the Governor's Proclamation and Guidance Memo will be accepted by appointment only.
- All other building permits or planning reviews may be sent via mail or electronically when allowed. Plans will be reviewed within established timeframes.
- ONLY permits that are related to essential facilities or for emergency repairs and projects that ensure structural integrity for residential structures in compliance with the Governor's Proclamation and Guidance Memo will be issued and when they are it will be by appointment only.
- Permit and Application Forms can be downloaded at our website:
<https://www.cityofwashougal.us/381/Forms-Permits-Applications>.

Questions or appointments:

- For Building please contact Teresa Guise, Permit Specialist:
(360) 835-8501 x611 or teresa.guise@cityofwashougal.us.
- For Planning/Development Engineering please contact Jessica Herceg, Planner:
(360) 835-8501 x603 or jessica.herceg@cityofwashougal.us.

Building inspections:

- ONLY inspections that are related to essential facilities or for emergency repairs and projects that ensure structural integrity for residential structures in compliance with the Governor's Proclamation and Guidance Memo will take place. Inspections will be restricted to unoccupied structures. Buildings and structures must be completely vacant prior to inspections taking place. Skype, or other similar electronic media inspections may be utilized based on need and type of inspection. For questions regarding inspections please contact joseph.layman@cityofwashougal.us.
