ALERT

2018 Building Code and 2015 Code Vesting
What You Need to Know

Clark County

A building permit will be reviewed under the current code (2015 WAC) if the following three items are ***completed prior*** to midnight January 31, 2021:

1. Create your application online in LMS.
2. Pay initial review fees to put application in submitted status.
3. Schedule an appointment by emailing permitservicesappt@clark.wa.gov.

Battle Ground

Applications submitted before February 1st will be vested under 2015 codes.

Camas

Applications submitted before February 1st will be vested under 2015 codes.

La Center

The department will wait until their city ordinance is updated to reflect the 2018 codes which requires a full hearing and public notice process. Permits will be reviewed under 2015 code until that occurs.

Ridgefield

Applications submitted electronically before February 1st will be vested under 2015 codes.

Vancouver

To be considered vested under 2015 IBC/State Building Codes, following three requirements must be met.

- Building permit application must be submitted no later than January 31st, 2021.
- Payment of plan review fees must be completed no later than February 12th, 2021.
- Required construction documents must be uploaded to ePlans portal no later than February 28th, 2021

Washougal

Applications submitted before February 1st will be vested under 2015 codes.
