Important Notice: I understand membership dues payments to BIA of Clark County are not deductible as charitable contributions for federal income tax purposes. However, dues payments may be deductible as ordinary and necessary business expense, subject to exclusion for lobbying activity. Because a portion of your dues is used for lobbying by NAHB, BIAW and BIA of Clark County, 14.8% of the total dues, or \$85.27, is not deductible for income tax purposes. For affiliate members, 11.25% of the total dues, or \$11.25, is not deductible for income tax purposes.
