CASINO NIGHT

This event raises money for the scholarship and tool grant fund. In 2021, the Building Futures Foundation awarded \$20,000 in scholarships to local students and apprenticeships pursuing a career in construction.

SCHOLARSHIPS

Scholarships for those entering the construction industry are important in incentivizing and supporting those that want to work in our great industry!

TOOL GRANTS

Tool grants help first and second year apprentices succeed, while reducing barriers to entry in apprenticeships. We're proud to offer these grants to local apprentices.
